

No bonfires or grilling in Gävleborg County

Because the forest and ground are so dry right now, bonfires and outdoor grilling are strictly prohibited throughout Gävleborg County. In other words, you may not light a bonfire or grill on the ground. The ordinance, which was announced on 5 August, will remain in effect until further notice.

The smoke that you occasionally see in Gävleborg County is coming from a forest fire in Västmanland County. The smoke is not hazardous. If you experience any discomfort, dial 1177 for medical advice.
